	JF	we know people are trapped in the there
	JS	they do not have capacity
	JS	C2a has been overtasked
	JF	we should have pre-established charts identifying span of control
	JF	I don't know if people have had training
0917	TD	calls in to JF/JS/Em/PT
	JF	people getting in area
	JF	Controlled now?
0918	TD	yes
	JF	we brainstormed with Gord about objectives
	JF	goal is to get port open
0919	JF	we look at controlling corner where access 500
	JF	we are going to look into possibility of 500 & Twp road as a contingency
	JF	it could take a couple of days going from north
	JS	I will build full operational plan if we could open 500
0922	JS	we will build tactical plan with everything
	JF	this is a possibility Gord brought forth
	JF	he needs to see down there
0923	TD	I am good with that.

	CZ	We could tolerate this through the night
	CZ	I am thinking enforcement tonight.
	CZ	Can sit in a holding pattern tonight.
1552	PT	our objective is to get road open
	CZ	if they're stringing us along, we need to be prepared
1553	CZ	longer this goes, more pressure, more risk
	CZ→JF	did you talk to MDE?
	JF	not yet
	CZ	should we even allow them to block lane?
	JF	we can articulate a temporary reasonable measure
	CZ	offence has happened
	JF	we can explain that
1556	JF	similar to other past protests
	CZ	anything on the CBSA side?

Time	Action	Details
1920	GC	group has been saying they don't want to defund police
1921	GC	we don't have a group of violent individuals
	GC	think they want us to arrest
	GC	have discussed arrest
1922	GC	they are more interested in if cops can move vehicles
	GC	catch and release does nothing
1923	GC	we may have to try to arrest at 0500 in vehicles
		but not sure if best decision
	GC	trying to remove vehicles with Class 1 is a tactic
		their never angry with us a police
	GC	increasingly challenging to hold ground
1924	GC	can we maintain protest size we have at now?
		we don't want this to grow
	GC	will likely shut down most northern check point
		and focus on concrete barriers
1925	GC	they have lots of front end loaders
	GC	20-24 night containment (members)
	GC	same for day + 70 day (STO)
	GC	we've released LPS for night
1926	GC	won't call CPS until know we can be effective.
	GC	we're in a holding pattern
	TD	Gold group discussed total impact
	TD	tactics are a more significant consideration now
	TD	asks Crown
1928		1 - mass arrest

	JF	we want to contact CBSA about if we can get
2020		U.S. tax trucks
2027	PT	would like cameras
	JF	CPS may have
2028	PT	tomorrow's focus will like be investigative while
		we work on capability
	PT	when GC has plan and we could move
	PT	we could get blocked in
	JF	we need to confirm if there are tax trucks on
		U.S. side.
	TD	calls

Time	Action	Details
2035	TD	that's this is another tactic
	TD	if you are good with that
		we'd really have to think through a mass arrest
2035	TD	GC said we are under siege
	TD	we'll go with that
	TD	that'll give them a day to say "here is an objective we can achieve"
	JF	what would Calgary's capability be for cameras?
		they may be more willing to give equipment than people
2037	JF	I'll talk to Peter to see if we can get them shipped from Ottawa
2037		calls end
2050		JF sends message to Sorab about cameras
2052	JS	^{MS} JS returns from call with towing association
		they asked if they can come see site tomorrow
		we give assurances about doing everything we can
		we they said it's business suicide
2055		they suggest looking at what we need
		clearance management is what they call it
		they don't want them in yards (towed vehicles)
		fence - we have to put fence up ourselves
		they are going to talk about what they can do
	JF	we can put them up in MPP
	MS	they need to know what equipment
	JS	they are concerned about safety
